

Dedicated to supporting federal and state agencies in protecting our nation's valuable water resources

PG Environmental, LLC
Permitting & Compliance Specialists

who we are . . .

PG Environmental, LLC, is a customer-centered small business that offers specialized technical expertise to federal and state agencies tasked with protecting our nation's valuable water resources.

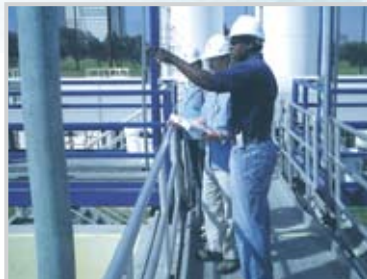

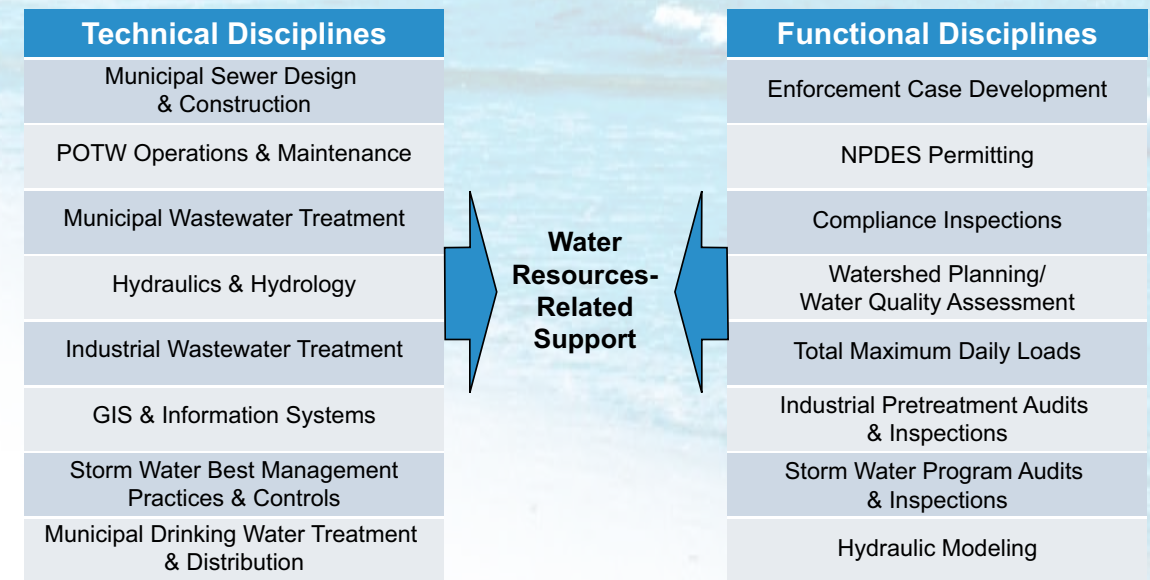

PG's founders have a long and proven track record of providing high-quality permitting, compliance and enforcement support, resulting in a long, diversified list of appreciative government customers. PG's staff of environmental professionals is continuing that tradition of excellence by providing quality products and services *on time and on budget*.

PG's business philosophy and strategy are simple:

- ~ Offer our hands-on working knowledge and technical expertise to federal and state agencies tasked with implementing and enforcing water protection regulatory programs.
- ~ Provide a single business focus that ensures our ability to continually meet the needs of our valued customers and attract and retain the highest-caliber professionals in the water resources field.
- ~ Provide the highest-quality products and services to our customers and guarantee customer satisfaction.
- ~ Provide value to our customers by offering very competitive rates.

PG Environmental Provides Multi-Disciplinary Expertise Necessary to Successfully Implement All Aspects of Water Resources-Related Support

what we do . . .

We offer our customers proven technical capabilities in the following areas:
